Learn how to screen for opioid abuse and suicide risk in all patients and clients

9 a.m.-noon
Wednesday, Aug. 22

Promise Community
Health Center

338 1st Ave. NW
Sioux Center, Iowa

THE PRESENTERS

Dr. David Paulsrud, MD
Rachel Wurth, MSN, ARNP FNP-BC
Jackson Recovery Centers,
Sioux City, Iowa

Why? Provide community with information and tools to screen for, identify and self-manage chemical dependency and suicide risk.

Who? Training event is geared toward medical, mental health and substance abuse disorder professionals, but anyone is welcome. Continuing education units (CEUs) will be offered.

Cost: Free
